### VOLUNTEERS

Henderson is a small town with only 1,250 residents. The people are friendly and many of them know each other. Henderson is a nice place to live because it has many parks, a low crime rate, and good schools. Unfortunately, there aren't many jobs in

Henderson. Residents have to travel to larger cities to find work. This wasn't a problem

in the past when the economy was good. But this year, one-fourth of the adults in Henderson are unemployed. The mayor is asking residents to volunteer to collect cans of

food and used clothes for the poor and to deliver hot meals to the elderly.
